

**Providing Administrative Support
Services to GNSO Stakeholder Groups
and Constituencies –
*Toolkit Update***

Our Agenda

- Quick Review of Toolkit Concept
- Review Community Menu Item Requests and Implications
- Next Steps

Toolkit Concept

- “ICANN should provide appropriate Staff support for constituencies to assist with standardization, outreach and administrative work, which can **lower constituency costs and fees.**”
- “ICANN must find ways to foster free participation in policy processes for all interested parties and to ensure that cost is not a barrier to constituency entry wherever possible.”
- Focus on **“in-kind assistance”** rather than financial aid

Background

- Toolkit recommended by BGC Report - “level the playing field”
- Priorities identified and approved by GNSO Council - but primarily for SGs and Cs
- Useful Community Input received by 15 February

The Toolkit Menu Items

1. Background and reference materials for Working Groups
2. Face-to-face meetings
3. Teleconference Tools
4. Meeting Reports
5. Community Intros
6. Web site hosting and content maintenance
7. Possible direct funding/grants
8. Organizational record keeping (e.g., statements of interest)
9. Maintaining up-to-date member info, mailing/discussion lists
10. Supporting community elections

Toolkit in Context:

- Toolkit is being recognized as one of ICANN's basic set of support services for the community - commitment to provide in FY11, FY12 and beyond
- Any expansion of existing services or additional services must be considered in light of FY12 budget goals
- Certain Tools require additional discussions to confirm expectations.

Next Steps:

- Community Calls to Discuss:
 - Website Hosting and maintenance best practices
 - Website Hosting and maintenance parameters
 - Re-examine Comm Work Team recommendations for membership database
 - Methods for defining parameters/expectations of/for “organizational recordkeeping”
- Confirm FY 12 Budget Impacts
