Public comment period on Proposed Final Report – Auction Proceeds CCWG

Dear Chartering Organizations of the new gTLD Auction Proceeds Cross Community Working Group (CCWG),

We, as the co-chairs of the CCWG, would like to draw your attention to the public comment period that was recently opened on the CCWG's proposed Final Report (see <https://www.icann.org/public-comments/new-gtld-auction-proceeds-final-2019-12-23-en>). We expect that the members you appointed to this effort have already briefed you on the proposed Final Report, but we wanted to take this opportunity to emphasize the importance of weighing in at this critical juncture on the following questions:

- Do you support the CCWG's recommendation in relation to the preferred mechanism(s)? If no, please provide your rationale for why not.
- Do you have any concerns about the updates the CCWG has made, as listed [here](#), in response to the Public Comment forum? If yes, please specify what changes concern you and why?
- Is there any further information you think the CCWG should consider, that it hasn't considered previously, in order to finalize its report for submission to the Chartering Organizations?

Following review of Public Comments submitted, the CCWG will finalize its report for submission to its Chartering Organizations which it anticipates will be in the April/May 2020 timeframe.

We look forward to receiving your feedback. As a reminder, the public comment forum closes on 14 February 2020.

Best regards,

Erika Mann & Ching Chiao
Co-Chairs, new gTLD Auction Proceeds CCWG
