

Notes/Comments for each Amended Article/Section of the Bylaws:

This document (V3) describes the various changes that were made since the Bylaws Amendments (V2) were published for public comment (closed 29 July 2009).

<i>Legend: PFC = Public Forum Comment</i>

Note: any Article, Section, Paragraph not listed below was NOT CHANGED from Version 2.

Article	Section	Par.	Notes/Comments
VII	2	8	Based on PFC, removed Staff footnote (left column only) which has been provided to the SIC in a separate communication and is under advisement. The note read: <i>“Staff recommendation to SIC/Board: consider assigning this ‘academic’ seat to the Non-Commercial Stakeholder Group (NCSG) for selection.”</i>
X	3	3	Based on PFC, added the word “Council” in the last sentence for clarification.
	5	5	Staff corrected reference to Bylaws Section 5(3) and moved it to a more appropriate location within the sentence.
		10	Based on PFC, substituted “Except as otherwise required in these Bylaws” for the word “Typically.”
XX	5	5	Based upon two PFCs and, as recommended by the Commercial Stakeholder Group, clarified the difference between seat assignments and Council representatives.
Annex A	--		Added an introductory note to this Article indicating that Annex A includes interim amendments while the GNSO continues its work to revise the PDP processes.
	3	c	Based on PFC, added “Article X” to clarify the source of this reference.
	7	d(1)(i) & (ii)	As pointed out by several parties including the Public Comment Forum, removed the references to “GNSO” in the description of Super Majority which was due to a clerical error when copying text.
	16	--	Based on PFC, modified the definition of “Successful GNSO Vote” for added clarity.
